Aqua (Scotland) Ltd offers a full selection of the most popular types of filter housing available and can supply in large quantities or a single unit. Contact us for the options available.

**accessory pack**

Spanners, brackets, O-rings and pressure differential gauges are all available individually. However, accessory packs consisting of combinations prove economic.

**Pack 1** = bracket, spanner, 3 x O-rings  
**Pack 2** = spanner, 3 x O-rings  
**Pack 3** = spanner, 3 x O-rings, 2 colour PD gauge  
**Pack 4** = spanner, 3 x O-rings, 3 colour PD gauge
